****We LOVE our LiL Vendors & want you to have the best experience possible. Our rally is centered around motorcycling so please understand that daytime attendance will be slower during peak riding hours. We focus the majority of our entertainment, games & contests in the evenings to keep people at the rally site to enjoy our vendors.**

****All paid vendors will be featured in a “LiL Vendor Highlight” on our social media outlets. We will post the name & description of your booth, photos of your merchandise, and links to your business on our Facebook page & group. You will also get a link on our website.**

****We encourage our guests to patronize our wonderful vendors by playing a game of “Vendor Bingo.” This activity will bring guests to your booth to interact with you and give them a chance to check out what you have to offer.**

****Vendors are encouraged to donate an item to be used as a raffle or Vendor Bingo prize. Participating vendors will get special “shout outs” and recognition for their donation.**
